LUCY'S EXTENSIONS COMPLETED HER BRIDAL LOOK PERFECTLY

“Hair loss almost ruined my big day”

Lucy transformed her look with the help of the creative team at Mark Glenn...

After two years in the planning and with just six months to go before her dream wedding day, 26-year-old Lucy Perkins was diagnosed with Leukaemia. Thankfully, after several sessions of chemotherapy, she was given the all-clear but the treatment affected her beautiful hair,

threatening to ruin her big day.

“I could deal with the chemotherapy”, said Lucy from Kenilworth in the West Midlands. “But I couldn’t deal with the hair loss, especially because I was getting married.” Lucy turned to Mark Glenn Hair Enhancement (markglenn.com) in London’s Mayfair for help.

The UK’s largest specialist hair extension studio, this exclusive

REAL STORIES

IF YOU’VE OVERCOME ADVERSITY FOR YOUR WEDDING DAY, TELL US ABOUT IT!

celebrity haunt is best known for transforming the tresses of the rich and famous but it’s also developed a unique hair integration technique that effectively disguises all manner of female hair loss.

Dubbed The Kinsey System, a fine silk mesh is used to non-surgically and semi-permanently integrate cosmetic hair, allowing you to sleep, wash, swim and more, all without fear of detection.

“The team at Mark Glenn saved the day and I’ve got my confidence back”, said Lucy. “I’m so grateful and it feels wonderful to have hair again”. To find out what they can do for you see markglenn.com.
